

# SELECT Fall 2007 At A Glance

*SELECT (Special Education Learning Experiences for Competency in Teaching) is a federally funded program sponsored by the Arizona Department of Education. SELECT courses are recommended for special and regular education teachers, related service personnel, paraeducators, and other interested individuals. Participants take SELECT courses to receive academic credit that can be applied towards teacher certification if the class matches the certification requirements. Classes can also be taken for professional growth for those working toward teacher re-certification.*
